### **In the area**

The medieval city of Bruges is one of the most visited places in Belgium. The historic city has a lot of cultural heritage, which means that tourists from both home and abroad visit the city and masse. It is not for nothing that the historic city centre of Bruges is on the UNESCO World Heritage List in its entirety. Anyone who visits the centre of Bruges will notice that the city centre has managed to retain its appearance to a very large extent. Modern times have merged beautifully with the old buildings, streets and squares. However, Bruges is more than just a collection of beautiful buildings, squares and streets. Above all, it is a city where Burgundian life still occupies an important place. As befits a good Burgundian, you can fully enjoy delicious food and drinks in Bruges.

Bruges is a mecca for chocolate lovers. You can buy delicious chocolate products from more than fifty local chocolatiers here!

The Flemish Coast is the coastal strip of Belgium located on the North Sea. It is also the only coastal strip in the country. Besides the beautiful beaches, the coast of Belgium has more to offer. There is also a lot of culture, history and beautiful nature. The most visited and popular seaside resorts are Knokke, Blankeberge, Middelkerke and Ostend. In

addition to the many museums, water sports, lively boulevards and delicious dining options, there are also a number of amusement parks and sea aquariums.

In close proximity there is a wide choice of accommodation. Here you will find the list of hotels and lodgings.
